

ISPFCU Referral Rewards Program

Promote ISPFCU to friends and family members and earn cash with the ISPFCU Referral Rewards Program!

Earn **\$10.00** for referring a new member to join ISPFCU or for getting an existing member to open a new first Checking Account, excluding Money Market Checking.

Earn **\$25.00** for referring a member to open a new closed-end loan with a balance greater than or equal to \$5,000. Home Mortgage Loans, Lines of Credit, and VISA Credit Cards do not qualify for referral rewards.

To earn money, the person you refer needs to turn in a referral card with YOUR name on it. The date on the referral card must be on or before the date the referred account was opened.

A referral card cannot be used for an account that has been opened previously or for an account you are an owner on.

Referral Cards may be mailed to ISPFCU for processing, but must be received within two weeks of the referred account's opening date. If a referral card is received for an account that has been open for longer than two weeks, the referral card will be invalid.

Referral Rewards will be deposited to the referring member's Regular Share Savings Account within two weeks of ISPFCU receiving the referral card.

To get your referral cards for distribution please call us at 800-255-0886 or stop by the Credit Union. Any ISPFCU staff member will be happy to provide you with referral cards.

Earn money and share the convenience, great rates, and personal service of ISPFCU with others.
