

Automatic Transfer Authorization

This quick, easy feature will transfer funds from an ISPFCU share account to an ISPFCU loan or share account automatically providing there are sufficient funds available. You specify the amount and the date you wish the transfer(s) to take effect. The automatic transfer will then occur monthly or weekly, as you specify.

Follow these instructions for <u>each</u> automatic transfer you wish to make:

- 1. Write the member number and account type of the account you wish to have funds transferred from.
- 2. Write the member number and account type of the account you wish to have funds transferred to.
- 3. Write the amount of the transfer on the space provided.
- 4. Circle how often you would like the transfer to take place, either monthly or weekly, and complete the date of the month or day of the week.
- 5. Write the effective date for the transfer to start.
- 6. Sign and date the form.
- 7. Return this Automatic Transfer Authorization form to ISPFCU.

* Loan Payment Transfer Information – If you are authorizing an automatic transfer of funds to cover a loan payment, the loan payment will automatically transfer on the date you schedule the loan payment to take place, providing there are adequate funds to cover the payment. Failure to have adequate funds available will result in an Insufficient Funds (NSF) Fee.
